

## CARPORT COLOUR CHART:

Colours have been reproduced as accurately as possible.

For specific colour matching we recommend obtaining NZ Steel Colorsteel Colour samples.

Mix and Match the above colours for Posts, Fascia and Roof.

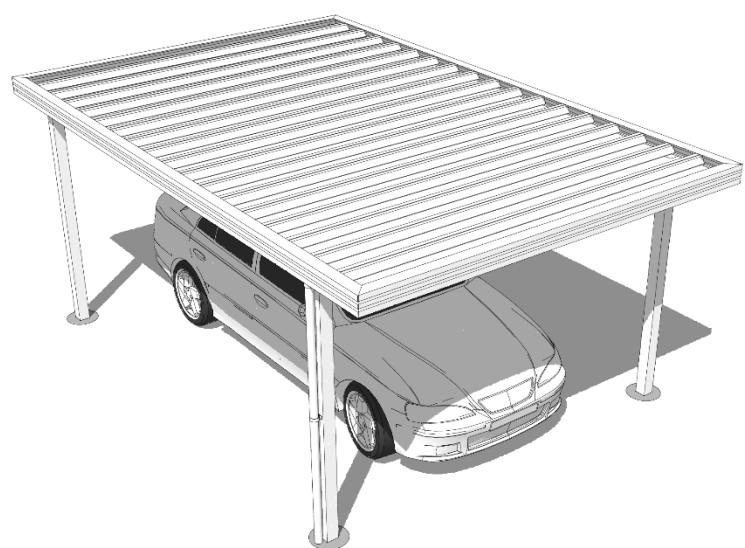

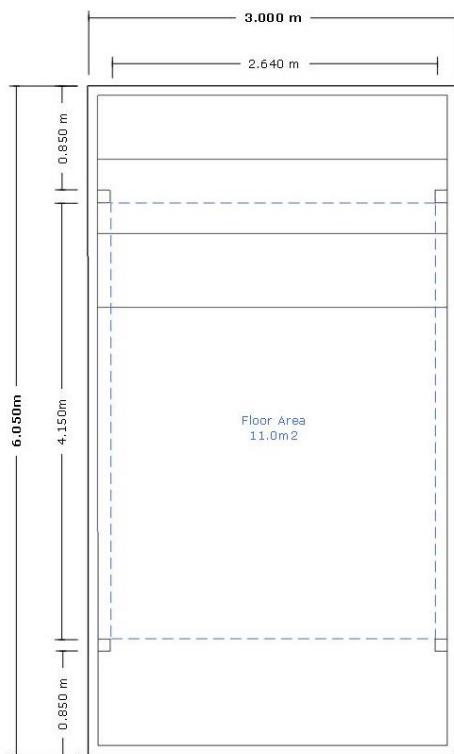

### Please Note:

Zinc Carports have Zincalume Roof, Fascia and Galvanised posts.

Colour Trim Carports have a Zincalume Roof with Colorsteel Fascia and Posts.

Colorsteel Carports have a Colorsteel Fascia and Posts with Colorsteel roof, however please note Colorsteel roof is only colour on one side – the top side, the underside is a grey primer – perpetual grey.

## CARPORT PLANS:

Floor Plan and Perspective drawings not to scale.
